Subject: Meeting to Discuss the Health Hazard of Asbestos Fiber.

Gentlemen:

This letter is directed to Listees whose spray applied, fire protective materials contain asbestos fiber. A copy of the Engineering News-Record, April 2, 1970 lead article, "Loose Asbestos Fiber Seen As A Cancer Threat To Construction Is Building Trades" is enclosed for your review.

In view of the purported health hazard, the Laboratories is obligated to consider the Listings of these materials and a meeting to discuss this subject with affected Listees has been scheduled for June 17, 1970 in the Conference Room, Building 6, starting at 9:30 A.M.

Please advise us if you will attend the meeting.

Very truly yours,

R. L. PARKS
Associate Marketing Engineer
