The following provisions shall apply to materials covered under both PART I and PART II of Appendix C.

RETURN OF EXCESS MATERIAL

Except as noted, we agree to take back all standard materials that are left over after all work is completed at your original cost, including freight, Du Pont to pay freight to factory or warehouse, as designated by Armstrong.

Special sizes and fittings ordered in error by us will be accepted without cost to Du Pont. Special sizes in excess on account of design changes, in general, are not returnable. A reasonable effort will be made by the Contractor to economically dispose of such material.

GENERAL CONDITIONS

The carload and less carload material prices listed above are F.O.B. shipping point with freight allowed to nearest natural freight station (except where specifically noted).

The warehouse material prices listed above are F.O.B. shipping point (warehouse), with charges for delivery not to exceed common carrier rates.

Material prices, in addition to the above, are subject to 1% tenth prox. cash discount.

Notification of price changes must be sent to E. C. Jones, Purchasing Agent, Purchasing Department, E. I. du Pont de Nemours & Company, Wilmington, Delaware.

Prices stated above for ordering material and for shipment will be computed from the effective date stated in the notification or from the date of receipt of notification, whichever is the latter.
