Hi, Thomas. No worries. I know it's a busy time.

If she has time on Thursday, that would be best. We have an 11:30 scheduled with Brian Steed at BLM; but, other than that, we can be very flexible.

Hi, Cynthia. No doubt a busy week for you! Hope you have a restful weekend ahead.

I wanted to loop back on this to see if there might be some of these opportunities next Thursday.

Thank you!
Mark

Hey, Cynthia. I wanted to follow up on our earlier exchange and see if a colleague and I could come visit you on Thursday, October 12. We can be entirely flexible beginning at 10am and throughout the day. We'd like to talk to you about our work with states so you know how we've been engaging with them; and also explore meeting some of your FWS and BLM colleagues on a few issues of importance to our work: ESA; sage grouse plans; and compensatory mitigation. To that end, if FWS DAS Aurelia Skipwith is available or a designee as well as BLM acting Director Nedd or a designee.

My colleague is Sara Brodnax, Senior Manager, Habitat Markets. She's based out of Laramie, WY but in town for a couple of days.

Many thanks.

Mark
