Rick,

It was a pleasure to meet you last week at the meeting between Administrator Pruitt and Morocco's Ambassador, Her Highness Lalla Joumala. Based on last week's meeting, my office is putting together the itinerary for the Administrator's trip to Morocco which will include speaking at the Atlantic Dialogue. Can you please send me the latest agenda and logistics for the Atlantic Dialogue, so that we can incorporate this in the planning for the Administrator's trip.

We will be coordinating the agenda and planning for this trip with the U.S. Embassy in Rabat and also consulting with the Morocco Embassy in Washington. If you have any other Morocco suggestions, please let us know. Mark Kasman, Director for Regional and Bilateral Affairs, is leading the trip planning efforts and he can be contacted at [kasman.mark@epa.gov](mailto:kasman.mark@epa.gov) or 202-564-2024.

Thank you,

Jane
