In Memory of Gary J. Taylor

On July 18, 2018, Gary Taylor passed away peacefully. Gary was a respected leader within the fish and wildlife conservation community in Washington, DC, who was passionate about his work. Throughout his career, he worked with the Maryland Department of Natural Resources, the Association of Fish and Wildlife Agencies (AFWA), Ducks Unlimited, and the National Wild Turkey Federation. Gary was a friend of the Congressional Sportsmen's Foundation and worked closely with our staff.

In his memory, AFWA established the Gary Taylor Policy Internship Scholarship. In lieu of flowers, donations may be sent in his name to AFWA at 1100 First Street NE, Suite 825, Washington, DC 20002.
