

- o Asbestos product manufacturers should perform air sampling in all possible processes involving their products to determine probable airborne asbestos levels. This information should be passed on to the products' potential users.

Thank you for your time. I would now like to open the conference to questions.

Kolashinski v. Acme Liquidating Corp., et al.
Supreme Court of NY, Erie Cty. Index No. 12008-405 06/18/08
