

PRESENTATION OF DOCUMENTS

(Whereupon, the documents were published to the jury via the overhead projector.)

MR. SMITH: Thank you, Judge, ladies and gentlemen.

We have some more Owens-Illinois documents from the Saranac Laboratories. There might be a couple related to Owens-Corning as well.

MR. IGNATOWSKI: May I, Your Honor?

I think I can see them, Your Honor.

MR. SMITH: Why don't we quickly switch.

(Whereupon, discussion off the record.)

MR. IGNATOWSKI: O-I Number 41, Your Honor, is a report of the Kaylo division plant, Owens-Illinois Glass Company, Sayreville, New Jersey dated May 29th, 1951, industrial hygiene survey by the Saranac Laboratory, Saranac Lake, New York, submitted by Arthur Vorwald, Director, the Trudeau Foundation and the Saranac Laboratory.

THE COURT: It will be admitted in evidence.
