Mr. Forsgren, thank you very much for following up. We certainly would appreciate any attention the EPA can bring to the PWSA. We continue to be very concerned about the drinking water in the City of Pittsburgh and the practices of PWSA. Thank you, Sara

Sara,

Thanks for taking the time for such a deep dive. I have shared our conversation with the Administrator. He has asked me to work with our Water Office to see what steps could be taken to address the issue. I have copied Lee Forsgren who can assist further.

Let's stay in touch on this issue and as always, please let me know how we can assist.

Many thanks.

Troy

Good afternoon, thank you again for the opportunity to discuss PWSA this morning. Attached are the materials I thought might be helpful. Let me know if we can provide you with additional information. Speaker Turzai has made this issue a priority because of the concerns about the quality of the water and the sustainability of PWSA in the City of Pittsburgh. Thank you, Sara

Sara,

I hope you are doing well. I have cc'ed two of our great IGA team members from EPA on these e-mail. They had some PA specific questions and I told them you would be the person to ask.

Thanks,
