Mr. G. W. Mills, Jr.,
 Philip Carey Company
 Lockland, Cincinnati, Ohio

Dear Mr. Mills:

This will acknowledge your letter of September 13th suggesting a revision in Section IV of proposed License under Toohey Patent.

This amendment is entirely satisfactory and constitutes a very desirable clarification.

My week with you recently, makes me very somewhat backward about suggesting the possibility of an error in your wording but I presume the word "affected" rather than "effected" was intended in this revision.

With best regards, I am

Very truly yours,

DT
