Dear Dr. Kasler:

Enclosed are copies of the reports on our studies of the relationship between blood lead and air lead which you requested in your letter of December 10, 1981. I suggest that you write Dr. Goldsmith directly or contact Dr. Jerome F. Cole, International Lead and Zinc Research Organization, 292 Madison Avenue, New York, NY, to obtain a copy of the Goldsmith report.

Your interest in our work is appreciated.

Very truly yours,
