Dear Dr. Bennett:

I am happy to inform you that Case US 36 - World Registry of Cases of Angiosarcoma - is very much alive and apparently living a reasonably normal life. As you probably know, this individual only had the one case of surgery for partial removal and reconstruction of the liver.

The above person worked at our Ashtabula, Ohio, plant which was closed sometime ago and subsequently sold. The name of the company GenCorp is correct, but please note the correct mailing address is as follows:

GenCorp
Corporate Safety, Health & Environmental Affairs
175 Ghent Road
Fairlawn, Ohio 44313-3300
Attn: Roy N. Johnson, C.S.P

If I can be of any further help, please let me hear from you. Let me take this opportunity to also wish you a very happy holiday season.

Sincerely,

Roy N. Johnson, C.S.P.
