Subject: Meeting Request

Samantha –

I left you a voice message to request a meeting next Wednesday, July 19. Scott Jepsen will be in town to testify before the House Energy and Minerals Subcommittee on Tuesday and I wanted to bring him in to discuss the Small Remote Incinerators issue. We have talked a little about this previously and we wanted to follow up. Scott is Vice President of External Affairs for ConocoPhillips Alaska and has been with the company for a very long time. His schedule is wide open on Wednesday next week. We would welcome the opportunity to meeting with you.

Thank you very much for your consideration of this request.
