To me, that makes no difference. I am happy to prepare a letter and will coordinate with others to start.

Lynn, thanks so much for the call back. I appreciate the letter offer and want to take you up on it. I've spoken already with a couple of past chairs who I know would contribute.

However, I wanted to shoot this past you too. This is actually from the section for a previous nominee. Of course, I'm greedy and this was the purpose of my call to John Milner. Just wanted you to be aware, and thank you so much for your time to reach out to the section staff in Chicago.

Thanks

Ryan.
