Dear Elmer:

You requested a look at the talk which I gave at the Gordon Conference. Accordingly, I am enclosing a copy of the text and a list of the slides. Unfortunately I do not have actual copies of the slides themselves, however, if you wish to use any of this material for presentation to any civic organization, I shall be glad to loan you the original slides. When finished with the text will you please return it to me.

It was a lot of fun being with you at the conference last week.

Sincerely yours,

Joseph P. Treon
