Dear Heloise:

I found another use for nylon
net...

I made drawstring bags to
hold my flower bulbs which I
store in the basement in the
winter.

The bulbs will be identified by
a slip of paper (or a picture
of the flower) tucked inside the
drawstring bag.

Dear Heloise:

Grandparents, save those lit-
tle comments your sons and
daughters make about their
children when they write to you.

Make a scrapbook of them

with the date of each comment.

With three small children I
find myself reporting their pro-
gress in letters to my parents,
but neglecting to put it all down
in their baby books.

It won't be too long before I
would dearly love a present like
that.
