

1 dealerships are the ones that purchased these after-
2 market parts that are listed?

3 THE WITNESS: I am sorry, I don't even know what
4 Interrogatory that is in response to, and all I know is
5 that Ford does not purchase parts which we resell to
6 dealers for use as service parts.

7 Q (BY MR. FLOYD) Okay.

8 A The significance of this page, I don't know what that is.

9 Q You don't know whether Ford has any agreement with the
10 dealerships wherein Ford specifies which after-market
11 parts they are to use in their service departments?

12 A I know of no such agreement in which Ford specifies which
13 after-market brake linings to place on the vehicles; by
14 manufacturer, we are talking about.

15 Q From all of these suppliers of new parts that you have
16 mentioned, Mr. Ridenour, were the brake assemblies
17 purchased from these companies with the brake pads and
18 linings or were just linings and pads purchased from some
19 of these suppliers?

20 A That would depend on the particular supplier.

21 Q Do you know or do you have any records to indicate which
22 one of these suppliers supplied Ford with brake assemblies
23 and which ones supplied them just with pads or linings?

24 A Yes.

25 Q Can you tell us that?
