Re: Nevada Power Company v. Monsanto Company, et al.
 USDC, District of Nevada Case CV-S-89-555-LDC (LRL)

Dear John:

In checking regarding the 30(b)(6) Notice of Deposition relative to standards and criteria, I have been told by Nevada Power that this can not go forward tomorrow due to the unavailability of the necessary witnesses. Please see enclosed letter from Susan E. Fogleboch to me dated July 22, 1993. However, we have no problem with this deposition going forward at a later time. Therefore, it will be placed in Category A of the Master Stipulation currently being prepared unless you have a problem with this.

I apologize for the delay in responding to this. No one in our office had seen this request earlier. Apparently something went wrong between your office and ours.

Sincerely,

BRADLEY & MERRELL
