

1 was OCF's Multitemp.

2 Do we attempt to improve Multitemp? My
3 answer would be no. The Multitemp concept of post
4 impregnated, a prebonded product, was ill-conceived.
5 It does not lend itself to adequate profit margins.

6 We must not forget the bonded aggregate-type
7 product. I believe an OCF version of such a product
8 containing 100 percent glass reinforcement would have
9 a high probability of success.

10 As you know, this is the program which
11 marketing canceled on us year after year in the past.

12 OCF Exhibit 766, which we would offer not
13 only against OCF, Your Honor, but against Owens-
14 Illinois under the general Dartez theory.

15 THE COURT: It will be admitted in
16 evidence.

17 (Whereupon, Plaintiffs' Exhibit Number
18 OCF-766 was received into evidence.)

19 MR. SMITH: This is to a Mr. Robert Logan
20 in Toledo, attorney for OCF by Mr. Jon Konzen, medical
21 director for Owens-Corning. And John Marshall Briley
