Mr. Warren P. Holden,

San Francisco, Cal.

My dear Warren:-

I am sending you by this mail trade mark register of the National Paint, Oil and Varnish Association, corrected to Sept. 1st.

In December last I believe I mentioned to you that nearly all the large manufacturers in the United States are now registering their trade marks with the National Association, as they consider this register to be of greater value than registering same at Washington. I believe you stated at that time that you thought it might be a good idea for us to do likewise.

Very truly yours,

W. P. Holden
