TO: Mr. T. S. Conogran - Saddle Brook

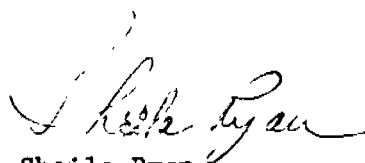

SUBJECT: 1699 Refuse Act Manuals

This is in reference to your memo of April 29 concerning the above subject. I think it would much simpler and quicker for you and Messrs. Goldfarb, Johnson and Minott to request these manuals from your local Corps of Engineers' District Office than it would be for me to try and obtain them for you. Listed below are the District Offices near the locations involved.

U.S. Army Engineers District
P. O. Box 60267
Foot of Prytanis Street
New Orleans, Louisiana 70160
