Subject: RE: Teleconference - August 14

Hi Elizabeth,

Welcome back!

I believe that the teleconference is Aug 11, not Aug 14. However, I am available both dates. Don't know of any "burning" issues other than what is going to happen to us after Caluna and the rumored HSE reorganization. Still concerned about competency. But I guess these things can wait for Sept.

Regards,

Patsy

I have heard via the grapevine that there may be a significant number of people on holidays at this time. I wondering if we should cancel the August telecon. Grateful if you could let me know your availability and if there are any burning topics that we should cover next week...

kind regards,
Elizabeth
