Dear Mr. Lasser:

Effective November 1, 1950, our future sales representation will be made by representatives from our Hammond office. Our sales agency arrangement with your company, as covered by our letter of March 1, 1949 for the distribution of litharge and red lead, will be cancelled at the end of business on October 31, 1950.

We feel our products need specialized sales representation and the change is not only being made in the Akron Area, but also throughout the country.

We indeed value our association with your organization very highly and appreciate the good work you have done for us in the past. If our plans do not materialize as anticipated, we do hope it will be possible for us to again call upon your assistance in the distribution of our products.

The next time I am in Akron, I will drop in and go into this situation more at length; however, in the meantime, I would appreciate an acknowledgment of this letter.

With kindest regards and all good wishes, we are

Yours very truly,

METALS REFINING COMPANY
