Nancy,

Rob is available on the 5th or 7th, but neither date is good for all the attendees that Rob suggested. Sheryl is available on the 5th but not the 7th and the converse is true for Rebeckah. I realize now that I don't know whether you are available on either the 5th or 7th.

Linda

Hi Nancy-

From my end July 7 the works but I'll coordinate with Shirley to see if there is any time that Rob could come.

Hey Linda and Rob,

I'm hoping to have a bow on my TSCA rules on Thursday (fingers crossed) and will start spending more time on the pesticide issues—although I've been forced to get up to speed pretty quickly anyways..

Are you guys around to help catch me up next week or after July 4? We can perhaps do it in the office or maybe lunch? I haven't been out of the building since I got here other than to go to OPP, but once TSCA is wrapped up I would love to get out! Lunch July 7th??

Let me know what works!
Nancy
