CAROL VAN STRUM, AUTHOR OF BITTER FOG AND FOREMOST DIOXIN ACTIVIST IN THE US HAS SENT A SUBMISSION CONSISTING OF A 32 PAGE STATEMENT, 504 PAGES OF EXHIBITS, -, AND A COPY OF HER BOOK, BY EXPRESS MAIL. SHE WRITES, "YOU MIGHT CONTACT UNION AND MEDIA PEOPLE IN NEW ZEALAND AND GET THEM TO STIR UP PUBLICITY OVER BOTH THE STATEMENT AND THE EXHIBITS, TO MAKE SURE THE COMMITTEE ACTUALLY READS AND CONSIDERS THEM. I TRIED TO WEIGHT THE EXHIBITS TOWARD TOXICITY INFORMATION AND DOCUMENTED CONTAMINATION AND HEALTH EFFECTS SURROUNDING MANUFACTURING AREAS (MIDLAND, MICHIGAN AND VERTAC IN JACKSONVILLE, ARKANSAS) WITH A TOUCH OF SCANDAL THROWN IN."

I HOPE THIS SUBMISSION WILL BE VERY EFFECTIVE. ALL I HAVE OF IT MYSELF RIGHT NOW IS THE 32 PAGE STATEMENT. BUT THAT IS GOOD. I WILL SEND IT TO YOU EXPRESS MAIL TODAY BECAUSE I DOUBT YOU WILL BE ABLE TO GET A COPY FROM THE COMMISSION. IT WILL BE VERY WORTHWHILE IF YOU COULD GET FURTHER COPIES TO THE PRESS AS SHE SUGGESTS. I WILL SEND ON THE EXHIBITS ASAP. I HOPE RENATE WAS ABLE TO SEND IN SUBMISSION AS WELL.

YOURS, JIM
