CONTACTED: WALTER WOODS - ASST. CHIEF ENGINEER
(By Phone)

OBJECTIVE: Check on possible dates for joint call with R. E. Hatton.

RESULTS: MCS 1122: Woods will be out of town for the next 3 weeks running, and suggested a date early in JUly which would be most convenient for him to meet with Roger and I. I stressed that we wanted to get our most recent R and O information to him prior to making their next change out decision. Woods said he was almost certain that the first two weeks in July would be in plenty of time, but he said he would call me if their decision would be made earlier.

Attn: R. E. Hatton - St. Louis: Roger, as we discussed, I will plan to call Walter sometime, either late June or early July, after the 4th holiday. The week of July 10, looks like a most likely candidate at present. I'll let you know for certain, just as soon as I talk to Walter.

FUTURE ACTION:

REH/JGF -	Joint call at Texas Eastern.	Week of July 10.
