Dear Ed:

I would be very happy to serve on the newly formed Asbestos Study Committee.

I will plan on attending the proposed first meeting of this committee on Wednesday, September 15, 1971, at 9:30 a.m., at the Friction Materials Standards Institute's offices. I am looking forward to seeing you at that time.

Sincerely yours,

William B. Reitze, Manager
Industrial Hygiene Engineering Services

Dear Mr. Drislane:

Thank you very kindly for your letter of August 20 informing me that I have been appointed Chairman of the newly formed Asbestos Study Committee.

I am delighted to accept and will you please advise Mr. J. W. Greenen of my acceptance.

Thank you kindly.

Very truly yours,

E. P. Stefl
