

1. The first meeting, the 1st of
the year, will be held in the
month of January.

2. The second meeting, the 2nd of

the year, will be held in the month of February. I shall be very glad to have an expression of opinion from the members of the Society as to what we should do in this regard. I see no reason for our having a meeting in the month of March, as those of you that are interested in the matter will be sure to meet with each other by other means or otherwise, and let me have the benefit of your suggestions, I shall be pleased, as chairman, to be guided by your joint opinion, and to see if a uniform mechanism for our handling of the matter.

3. The third meeting, the 3rd of the year, will be held in the month of April. I shall be very glad to have an expression of opinion from the members of the Society as to what we should do in this regard. I see no reason for our having a meeting in the month of May, as those of you that are interested in the matter will be sure to meet with each other by other means or otherwise, and let me have the benefit of your suggestions, I shall be pleased, as chairman, to be guided by your joint opinion, and to see if a uniform mechanism for our handling of the matter.
