Hi Rob:

I would be happy to assist. Lots of tight windows as I was in Region 8 and three states last week. I am taking the train to Region 3 tomorrow am and may have some time I could speak. Let me know if that might work.

Hi Ken,

I'm connecting you with my friend Rob Smith (cc'd) who is having some issues out in Region 5 with regards to a mine. I think you would be a good place to start. Let me know if you need help from my end (or Sarah's if it involves water).

Rob, as I mentioned, Ken is the Administrator's go-to person for all things involving in the Regional Offices.

Best,

Mandy
