SUBJECT: LIA ENVIRONMENTAL AFFAIRS COMMITTEE

We will hold a meeting of this Committee on Wednesday, May 30, 1973, at 11 o'clock in the morning in the offices of Hill and Knowlton.

Purpose is to update ourselves on various aspects of lead environmental issues; to spotlight those which may need some immediate attention, and to prepare recommendations, if necessary, for action programs to LIA Environmental Health Committee.

Jerry Cole and I will work up a tentative agenda and have it in your hands this week. Please feel free to add any points you may wish to discuss. [TENTATIVE AGENDA ATTACHED.]
