Hi Samantha, I was just meeting with my business contact at the German Embassy to give him a quick debrief on our meetings Friday. I mentioned we met with you and Administrator Pruitt. He asked a favor, but I wanted to run it by you first. He wants me to put the two of you in touch since he is working on setting up a meeting between Administrator Pruitt and a German government official, Deputy Secretary Flasbarth, who is evidently the State Secretary at the Federal Ministry for the Environment.

If you are ok with me putting you in touch with Marcus Kreft at the German Embassy here in DC please let me know. If you would rather not, I'm fine with that too. Thank you.

Bryan,

Very nice meeting you today and thank you for coming by to meet with Administrator Pruitt. Please let me know if we can ever be of assistance! Let's be in touch soon about some of the follow up items discussed.

If you don't mind, it would also be great to get a copy of the photo of Administrator Pruitt and Mr. Kruger!

Best,

Samantha
