Subject: Brick/Clay MACT rule reconsideration

Josh,
I represent the Tile Council of North America. TCNA wants to ascertain the status of the Brick/Clay MACT rule reconsideration and convey their positions regarding that matter. I've reached out to staff in OAQPS in RTP (identified in Administrator Pruitt's November 1, 2017 reconsideration letter), and have not had any success. I saw AA Bill Wehrum last week at Susan Bodine's ceremonial swearing in and he said to reach out to you if I was having trouble getting any responses. Can you tell me the status of that reconsideration rulemaking?

Bill also indicated that he had talked with but never met the Executive Director of TCNA, Eric Astrachan. Eric will be in DC the week of March 5 and would very much appreciate any opportunity to meet with Bill or appropriate staff in DC (any day except March 6, I believe).

Thank you for your time and any information regarding the status of the MACT reconsideration or opportunity to meet with EPA in early March.

Respectfully,
