Thanks so much Trudy! Audrey, would love to connect. I am not in DC for a couple of weeks since I am in Augusta for the Masters. Have you settled on where to live, etc? And if so, where?

Subject: Connecting Audrey and Gloria

Hi Audrey –

I was in D.C. recently and thought of you. Hope you are doing well as you are supporting Chris at Energy. We miss you in Colorado!

I'm writing to introduce you to one of my favorite people – Gloria Dittus. You would enjoy meeting Gloria, and I know you two would get along fabulously. She is well connected in D.C. and the energy industry, and she hosts/sponsors several networking events throughout the year. I worked for her for many years (including when I supported Noble Energy) in two different public affairs companies.

Wanted to make sure the two of you are connected via email and hope you both can get together soon.

Take care.
