Subject: Yeast MACT - apology

All, I'd like to offer an apology as I have become aware that in our April 30, 2018 meeting on the Yeast MACT my approach may have seemed disrespectful or overly aggressive. Although that was certainly not my intention, I would like to acknowledge the concern and clear the air.

The American Bakers Association and its members are committed to collaborative dialogue and I would not want anything to interfere with the agency's perception of that commitment.

Regards,
