

1 A I do.

2 MR. SHELLENBERGER: Your Honor, at this time
3 I would move to introduce into evidence VA 34 which is
4 Dr. Steers' medical record on Mr. Vandergucht.

5 MS. TOSTANOSKI: No objection, Your Honor.

6 THE COURT: Without objection, VA Exhibit 34
7 will be admitted into evidence.

8 (Whereupon, Plaintiff's Exhibit Number VA 34
9 was received into evidence.)

10 BY MR. SHELLENBERGER:

11 Q Doctor, when is it that -- I believe you
12 said you came in contact with Mr. Vandergucht in
13 September of 1980.

14 Why did Dr. Foard refer Mr. Vandergucht to
15 you?

16 A He was referred because Dr. Foard thought he
17 had and in fact he did have an incarcerated umbilical
18 hernia.

19 Q As a result of that referral for
20 incarcerated umbilical hernia, did you examine Mr.
21 Vandergucht?
