

1 which was to cause his tumor.

2 Q How do you know there was enough exposure
3 from using brakes to say that?

4 A Because what I read in the literature and
5 the articles that we went through today demonstrating
6 that not only can you get mesotheliomas, and that is
7 very definitely documented, but you can get enough
8 asbestos exposure to go over that margin and get frank
9 asbestosis, which you really have to work at, then I
10 can easily say that.

11 Q Dr. Hill, thank you.

12 MR. HOFFMAN: Your Honor, that is all I have
13 at this time.

14 THE COURT: Mr. Williams, you may cross-
15 examine.

16 MR. WILLIAMS: Your Honor, this is certainly
17 going to go somewhat after lunch.

18 THE COURT: We will stop at 12:30.

19 CROSS-EXAMINATION

20 BY MR. WILLIAMS:

21 Q Good morning, Dr. Hill. I guess it is
