FROM: Patsy Clegg

TO: Stacy Methvin

SUBJECT: Shell/API Contract for support of the Shanghai Health Study

Stacy;

Attached are 2 copies of the Shell/API Contract for support of the Shanghai Health Study for your signature on page 4. I will take the action to fill in the other information. After you have signed, would you please ask Debbie to give me to call, so I can pick up. I will take responsibility for forwarding to API and filing Shell's copy.

Thanks,
