For Action -- Reply Needed by Weds 4/02

API Benzene Consortium (Shanghai Health Study) Technical Committee -

We need to schedule a one-day Technical Committee meeting at API (1220 L Street NW, Washington, DC) in April; the lead time may be a little short, but we need to work around Passover, Easter and other meetings (e.g., Asphalt Institute, API Health & Product Stewardship) already scheduled...

Please reply by Weds 4/02 which of these dates will work best (or if any will not work) with your calendar:

-- April 09 (Wednesday)  
-- April 10 (Thursday)  
-- April 11 (Friday)  
-- April 15 (Tuesday)

Thank you, and have a great weekend!

Best Regards - Bruce.
