The Occupational Health & Safety Products Division of 3M is sponsoring a seminar to discuss Diffusional Air Sampling Techniques on Tuesday, December 9, 1980. Theory and applications will be discussed in detail along with presentations of new product concepts in diffusion air sampling. The morning session will allow you to receive 1/2 credit toward industrial hygiene certification.

The details of the meeting are as follows:

Date:	Tuesday, December 9, 1980
Time:	9:00 a.m. - 4:00 p.m.
Location:	Sheraton - 4728 Constitution St., Baton Rouge, LA
Credit:	1/2 credit toward certification
Course Presenter:	Dr. Leon Anders, Product Development Supervisor, Occupational Health & Safety Products Division/3M
Charge:	No charge. The luncheon is sponsored by 3M.

Please return the attached course registration form and if you would like additional information about the program, please feel free to call Miriam Merino (612-736-9485) or Ken Scheel (612-733-4389). The toll free number, 1-800-328-1300, can be used by asking for Occupational Health & Safety Products Customer Service.

We certainly hope you will be able to attend what we plan to be an informative session.

Sincerely,
