Dear Bill:

In response to your proposal, ENSR Ref. No.: 3460-A12, and based on our phone discussions, please proceed with the following tasks:

1. Prepare a written review of your review of the A. D. Little and Trihydro Corp. reports on Ceralox, as provided to you by Lynn Zimmerman.
2. Review the available compliance databases for Cerolox compliance issues since 1988.
3. Take other steps as necessary to review Ceralox compliance without visiting the site or agencies. This could include phone calls or other requests to appropriate agencies.

A contractor work order, for work not to exceed \$7,500 is attached. Vista is requesting this work be completed by June 15.
