Dear Robertson,

I am sorry that the Notification of the Joint Meeting with Mr. Shepherd of Turner and Newall on Friday last 27th November, did not reach you in time.

I enclose, and I am sure you will be interested to hear of what trans. Ired, a Memorandum together with Statements Headed Appendix A, Appendix B, and Appendix C, which set out the arithmetical bases on which allocations between U.K., U.S., and other destinations have been worked out. These allocations, by the way, are still not quite firm, (my figures differ slightly from those as calculated by Sherriff) but they are not likely to be very wide of the mark. If/

If you have any observations to make which might affect the final contracts, perhaps you would be good enough either to teleprint me or give me a ring.

Yours sincerely,
