How can we do it?
Because we're Singer:

We sell through our own stores. Make only
one model in each screen size. And make sure every
one is built to last like everything Singer sells.

That's how we keep quality up. And prices
down.

It's a lovely way of doing business for every-
body. That's why we call it L.O.V.E.

L.O.V.E. is credit, too! You'll find the Singer
