

1 do you recall his health?

2 How was his health?

3 A My father's health was good. He was always
4 taking me places, catching ball with me. He would be
5 going to the park all the time for a walk. He was a
6 strong robust man.

7 In terms of picking up some of the things
8 around the house and some of the heavy things that we
9 would move, the furniture for painting and stuff, he
10 was in excellent shape.

11 Q When do you first recall your dad
12 experiencing any symptoms for what we now know is from
13 his mesothelioma?

14 A Thanksgiving.

15 Q Thanksgiving of what year?

16 A Thanksgiving of 1989, I guess.

17 Q And what was it that you recall that
18 happened Thanksgiving of 1989?

19 A He came up the steps and he -- I think he
20 pulled me aside. I think he was in the family room.
21 I don't know. It is sort of vague now. But he said
