Good afternoon Gary,

Hope this email finds you well! I am reaching out today about setting up a meeting between your client, Waste Management, and Administrator Pruitt. Apologies for the delay in getting this request into you—it has been a crazy time over here. What time frame were you thinking? Sooner rather than later? Do we need to leave time for travel arrangements to be made? Looking forward to working with you on this!

Best,

Sydney Hupp
