

July 2, 1946

Dr. Robert A. Kehoe
College of Medicine
University of Cincinnati
Eden Avenue
Cincinnati 19, Ohio

Dear Dr. Kehoe:

Many thanks for your kind letter of
June 27th with reference to the editorship of
The Journal of Pharmacology and Experimental
Therapeutics.

Dr. Wallace is at present on vaca-
tion, but I will get from him as soon as possible
the correspondence relating to Dr. Deichmann's
paper on DDT and will then write you further.

Sincerely yours,

McKeen Cattell
