Hello,

My name is Colin Jackson and I'm with WDET, Detroit's public radio station. I have a few questions for an EPA representative about the Brownfields Revolving Loan Fund Program. I'm working with a deadline at about 3 p.m. this afternoon.

I would like to ask:

- Can you give me some background on the Brownfields RLF Program?
- How are entities chosen to be part of the program?
- How has the program benefited local communities?
- Can you give me a picture of what the return on investment for the RLF program looks like?

If possible, I would like to complete an interview via telephone and roll tape. Thank you and I look forward to hearing from you!

Colin Jackson
