St. Louis, Missouri.

Dear Mr. Heineman:

This letter will certify that the samples of crude o-chlorophenol being delivered to you were obtained from the Wm. G. Krummrich Plant Laboratory reserve sample of lot KL01-8001 dated 1/7/79. This material came from tank car GATX 12932. These samples represent material from the tank car involved in the accident at Sturgeon, Missouri.

Sincerely,

J.A. Gloeckner
