

**MATERIALS FOR INSULATING
FIREBRICK JOINT TESTS**

Lab Proj E33A

CHICAGO

APRIL 25, 1962

**MR. WILLIAM OURADA
CHICAGO PURCHASING**

Dear Bill:-

Unless someone else has given you this request already, please order the following from Corundite in Massillon, Ohio for immediate shipment to Bruce Abell at Aurora:-

2 Cartons LW26 Insulating Firebrick Straights
2 1/2" Series (5 brick)

1 Pail 50# Corundite Plasto-Bond Air Setting Cement

~~These materials will be used along with some Harbison-Walker Harvaco-Bond joint material which Bruce will obtain locally.~~

Very truly yours,

J. W. Hosbein
