Subject: Asbestos Warning Labels

Dear Sir:

To confirm our telephone conversations, we are now applying the attached label to all pallet units of Asbestos shipped to the U.S.A.

We are in the process of changing the wording on all bags and expect it could be some 3 to 4 months before you see bags with the printed change, due to inventory levels.

E.J. Day is co-ordinating this change and I am certain he will keep you informed of our progress.

Best regards,

Yours very truly,
