

1 would it be just your family or about how many other
2 relatives would it entail?

3 A It would range anywhere from 7 to 14 or so.
4 We did that from our house and go to our aunts' or
5 uncles' houses and do different things, especially
6 around sporting events.

7 We would always have gatherings. That is
8 how I think I learned the rudiments of cooking because
9 my father unfortunately for me he taught me how to
10 make sandwiches, so I was the sandwich maker and that
11 blossomed into bigger and better things and resulted
12 in gaining a little weight and him gaining a little
13 weight, but it was a good experience, so now it is
14 kind of hard for me to watch.

15 MR. MCGOWAN: Your Honor, he is looking at
16 me.

17 (Whereupon, laughter ensued.)

18 MR. MCGOWAN: I have to object.

19 THE COURT: Apparently he recognized another
20 gourmet.

21 (Whereupon, laughter ensued.)
