PIPING & PLASTICS INDUSTRIES

Mr. A. F. Castranova
Area Director
Occupational Safety and Health Administration
U. S. Department of Labor
210 North 12th Blvd., Room 554
St. Louis, Missouri 63101

Subject: Progress Report - O.S.H.A. Inspection

Dear Mr. Castranova:

In reference to our recent citation dated February 15, 1973, please be advised of the following actions being taken by our company to comply with the said violations.

Serious Violation

Operators in the following areas are wearing proper respirators and disposable coveralls at all times.

With some mechanical changes and maintenance of dust collectors, we have the following samples:

Elbow Fittings Saw	1.01 fibers/ml.
Coupling Saw	1.16 " "
Fiber Feed Area #1	1.08 " "
#2 Fiber Feed	3.37 " "
Pipe Recovery and Crusher Area	.86 " "
#3 Plant Dust Collector	(Samples not returned as of this writing)

Plant has purchased disposable clothing and are providing clothing lockers for exposed personnel.

A new dust hood has been ordered for Fiber Feed Area #1.

Non-Serious Violation

Item I

Travelers still taking samples. Plant has purchased our own sampling equipment for a continuous monitoring program. Outside service to read samples.

Item II

Collectors still being cleaned up on day to day basis.

Please note: We were able to purchase Whitecapsul #2 backpack unit.
We are awaiting delivery of second unit.

Very truly yours,

CERTAIN-TEED PRODUCTS CORPORATION

S. G. Leyshock
Plant Manager
